## Premier League 2 Rules

Season 2022/23

- 20. The Season of the League shall commence in August and conclude in May.
- 21. Each Member Club shall play two Matches against each other Member Club in its division each Season, being the Home Club in respect of one such Match and the Visiting Club in respect of the other.

### Fixtures

- 22. The Board shall publish the fixture list which shall set out the Weekend during which each Match is to be played.

### Guidance

Where possible, the fixture list published in accordance with Rule 22 will be devised so as to mirror the fixture list of the Premier League first team competition.

- 23. All intellectual property and other rights in the League's fixture list shall belong to the Premier League.
- 24. In respect of each Match, the Home Club and the Visiting Club will, no later than three weeks before the commencement of the Weekend on which the relevant Match is scheduled to be played, confirm to the Board in writing the date and kick-off time of the Match (within the Weekend fixed by the Board). The Match must be played on the date and at the kick-off time notified to the Board unless the date and/or kick-off time is amended pursuant to Rules 26 to 30.
- 25. If the Member Clubs are unable to agree on the date and/or kick-off time of a Match (within the Weekend designated for that Match by the Board in accordance with Rule 22), the Home Club's choice shall prevail save that the Visiting Club may apply to the Board to exercise its power pursuant to Rule 29 to determine the date of the Match (within the Weekend designated by the Board in accordance with Rule 22) if the date chosen by the Home Club would result in manifest unfairness to the Visiting Club.

- 28. Once a Match has been selected for live UK Transmission, its date and/or kick-off time may not be changed without the permission of the Board.

### Guidance

Member Clubs may need to change the date of a Match after it has been picked for live UK Transmission, e.g. because its first team has progressed in cup competitions, meaning not only that it has matches in those competitions but also its first team Premier League matches have to be rescheduled. The Board will agree to requests made on these grounds. The Board may not agree to other requests to change the dates of Matches selected for live UK Transmission, unless the Broadcaster of the Match agrees to the move.

## Premier League 2 Rules

Season 2022/23

- 29. The Board shall have the power at any time to change the date upon which a Match is to be played. Before exercising such a power the Board will consult with and take into account any representations made by the Member Clubs participating in the Match in question and any other Member Club which may be affected by the proposed change.
- 30. Unless otherwise authorised by the Board or permitted by these Rules, Matches shall be played on any of Friday evenings, Saturdays, Sundays or Mondays.
- 31. No later than seven days before the date on which a Match is to be played, the Home Club shall send PL2 Form 1 to the Visiting Club, the appointed Match Officials and the Board. Where the Match Officials have not been appointed by this time, the Home Club shall send PL2 Form 1 to the Match Officials as soon as it is notified of their appointment.

- 34. The position of each Member Club in its divisional table shall be determined by the number of points scored, the Member Club having scored the highest number of points being at the top of its divisional table and the Member Club having scored the lowest number of points being at the bottom.
- 35. If any two or more Member Clubs in the same division have scored the same number of points, their position in their divisional table shall be determined on goal difference, that is to say, the difference between the total number of goals scored by and against a Member Club in Matches, and the higher or highest placed Member Club shall be the Member Club with the higher or highest goal difference.
- 36. If any two or more Member Clubs in the same division have scored the same number of points and have the same goal difference, the higher or highest placed Member Club in their divisional table shall be the club having scored the most goals.
- 37. If any two or more Member Clubs in the same division have scored the same number of points, have the same goal difference and have scored the same number of goals, they shall be deemed to occupy the same position in their divisional table.

  - 39. The results of Matches and the tables shall be distributed to the media by the Board as soon as practicable after each Weekend on which Matches are played.
  - 40. In all matters relating to any interruption to or potential curtailment of the League, the provisions of Premier League Rules C.18 to C.30 shall apply, with references to 'Club' in the 'Competition' in those rules interpreted as reference to Clubs participating in the League, as applicable.
  - 41. The winners of each division shall receive a trophy, which they shall return to the Board in good order and condition not later than three weeks before the final Matches of the following Season, and the winners of each division shall receive 30 commemorative medals to distribute to such of their players and Officials as they think fit.
- | Venues   |

### Guidance

#### Rules 50 and 51: Facilities for Broadcasters

All Premier League Clubs should be able to provide the facilities listed in Rule 51 without difficulty. However, the Premier League Rules referred to were agreed in respect of Premier League first team matches and it is therefore anticipated that any requirement to provide some or all of these facilities will be considerably scaled down in comparison with what is required for a first team match. The Home Club of a Match which is to be the subject of live UK Transmission will be advised no later than 14 days before the date of the Match the extent to which it will need to provide access and facilities pursuant to Rule 51. The Premier League will separately advise those Member Clubs which are not members of the Premier League of the facilities and access they will be required to give to Broadcasters at their Stadia for the purposes of the live Transmission of Matches. It is acknowledged that they may not be able to comply in full with the requirements listed at Rule 51.

As noted in Rule 73, Broadcasters may wish to broadcast Matches played at an alternative venue which is not the Home Club's Stadium (although it is not permitted to broadcast Matches played at training grounds or Academies). In such a case, any facilities which need to be erected temporarily on site will be undertaken by and at the cost of the Broadcaster in question.

#### Rules 52 and 53: Broadcaster Access

As the Premier League Rules cited here relate to Broadcasters' access to players and managers, it is considered that Member Clubs which are not Premier League Clubs should, notwithstanding, be able to comply with them.

### Pitch Size

54. Unless otherwise permitted by the Board, the length of any pitch on which a Match is to be played shall be 105 metres and its breadth 68 metres.

### Pitch Protection

55. In the case of Matches played at Stadia, in order to protect the pitch, unless otherwise mutually agreed between both participating Member Clubs, the following procedures shall be adopted by players and Officials in the periods immediately before and after a Match and at half time:
- 55.1. the pitch shall only be used for warming up or warming down by players named on PL2 Form 3;
  - 55.2. pre-match warming up by either team shall not commence until 45 minutes before the kick-off time at the earliest, shall not last for more than 30 minutes, and shall end no later than 10 minutes before the kick-off time;

## Premier League 2 Rules

Season 2022/23

- 55.3. if portable goals are provided they shall be used for all goalkeeping drills other than crossing practice;
- 55.4. the goalmouth area shall be used by goalkeepers only if portable goals are not provided or for crossing practice and then only for not more than 20 minutes;
- 55.5. for the purposes of warming up and warming down each team shall use only part of the pitch between the edge of a penalty area and the half way line or as otherwise directed by the groundsman;
- 55.6. all speed and stamina work shall be undertaken off the pitch parallel to the touchline opposite the side to be patrolled by the assistant referee or, in the absence of sufficient space, in that part of the pitch described in Rule 55.4, above, or as otherwise directed by the groundsman;
- 55.7. players using the pitch at half time shall give due consideration to any other activity or entertainment taking place on the pitch at the same time;
- 55.8. the Home Club may water the pitch at half time provided that it gives reasonable notice to the referee and the other Member Club that it intends to do so and that any such watering is carried out evenly over the entire length and width of the pitch; and
- 55.9. any warming down after the conclusion of the Match shall last for no longer than 15 minutes and for that purpose neither penalty area shall be used.

### Artificial Surfaces

56. No Match shall be played on an Artificial Surface.

### Technical Areas

- 57. The technical area shall be occupied during a Match only by substitute players and Officials whose names appear on PL2 Form 3. Only Officials whose names appear on the team sheet and who are situated in the technical area may communicate instructions to players during a Match.
- 58. Any player who is dismissed from the field of play shall proceed immediately to the dressing room and shall not occupy the technical area.

### Giant Screens

- 59. Except with the prior written consent of the Board, giant screens or the like shall not be used during a Match to relay to spectators closed circuit pictures of the Match at which they are present.

68.	Each Member Club shall indemnify the Premier League against any liability that the Premier League may incur in the event of a finding by a court of law or any other body of competent jurisdiction that the Premier League induced the Member Club to breach a contract with a third party as a result of requiring the Member Club to comply with Rule 67.
69.	A Member Club shall not be bound to comply with Rule 67 if to do so would result in the Member Club being in breach of a contractual obligation entered into before the date of the Premier League resolving to authorise or approve the entering into of any contract referred to in Rule 67.
<b>Guidance</b>	
The Premier League has granted the following rights in respect of Season 2022/23:

71.1.1.	broadcast a minimum of five Matches per Season;
71.1.2.	subject to Rule 71.2, only be entitled to select for live UK Transmission a maximum of two Matches per Season per Member Club (for the avoidance of doubt the choice of which Matches are broadcast pursuant to this Rule shall be at the election of the relevant Broadcaster; either of the participating Member Clubs may decline the request for the Match to be broadcast, but each Member Club must ensure that over the course of each Season each UK Broadcaster broadcasts at least two of its Matches if either UK Broadcaster so requests);
71.1.3.	be under no obligation to broadcast any of the Matches of a Member Club; and

72.	Matches which are selected for live UK Transmission pursuant to Rule 71 may also be licensed by the Premier League to Overseas Broadcasters, who shall have the same rights of Transmission in respect of those Matches as they have in respect of League Matches (appropriately adapted for the context) pursuant to the contracts they have entered into with the Premier League.
<b>Guidance</b>	
Licensing to Overseas Broadcasters will be undertaken via Premier League Productions, the Premier League's appointed production partner.	
73.	Matches which are the subject of live UK Transmission shall only take place at the Home Club's Stadium or at an alternative venue notified by the Home Club to the Board pursuant to Rule 42, provided that the Board has given its prior written permission for the Match to be broadcast at that alternative venue.

## Premier League 2 Rules

Season 2022/23

70.	Subject to Rule 75, the Premier League shall have the non-exclusive right to broadcast or licence the broadcasting of Radio Transmissions of any Match.

71.1.1.	broadcast a minimum of five Matches per Season;
71.1.2.	subject to Rule 71.2, only be entitled to select for live UK Transmission a maximum of two Matches per Season per Member Club (for the avoidance of doubt the choice of which Matches are broadcast pursuant to this Rule shall be at the election of the relevant Broadcaster; either of the participating Member Clubs may decline the request for the Match to be broadcast, but each Member Club must ensure that over the course of each Season each UK Broadcaster broadcasts at least two of its Matches if either UK Broadcaster so requests);

72. <b>Guidance</b>	
Pursuant to Rule 44, Member Clubs may play up to three home Matches per Season at their training ground or Academy. It is anticipated that these venues will be unsuitable for games to be the subject of live UK Transmission because they lack adequate facilities for Broadcasters.	
If a Member Club has nominated a venue other than its Stadium (e.g. a local lower league or non-league ground) then, subject to the approval of the Board, Matches which will be the subject of live UK Transmission may be played there. Any necessary temporary work to enable such Transmission will be undertaken by and at the cost of the Premier League's broadcast partners.
